ABOUT US

Brightway International School is an aspiration by Qualitat Education Pvt Ltd to offer a world-class Singapore-style education to fellow Maldivians.

Our partner, Irsyad Trust Ltd is a leading educational provider in Singapore that has inspired its own brand of model schools in the region.

Projected as the future of education in an international Journal, Irsyad offers the educational excellence of the renowned Singapore model.

We in Brightway International School share the common vision of Irsyad Singapore to develop future leaders who will continue the legacy of serving humanity.

LOCATION

Brightway International School
Fareedhiya Building,
Reethigas Hingun,
Hulhumale
Maldives

We have partnered with world-renowned education service providers from around the world to give international exposure to our students.

International-class programs and competitions will be brought to Brightway International School. Top performing students from these Olympiads competitions and other programs conducted in Maldives will be brought to Singapore, Malaysia and the region to pit themselves against other International students.

Exciting Co-curriculum

The BIS Model

International Curriculum

BIS adopts the Cambridge IGCSE international curriculum that is delivered with the Singapore approach to develop world-ready leaders.

Global Experience

Exchange programmes with premier schools in the region will provide students with a global outlook and a head start in developing regional ties.

Service Learning

BIS is specifically set up to develop more individuals who put others before self as they serve humanity.

Advanced Pedagogies

BIS aspires to be a 21st century school that optimises technologically advanced pedagogies in the classrooms.

Education Best Practices

Best practices from Singapore Schools and other renowned educational institutions form the building block of BIS.
